

## Oxford IMC Club Monthly Meeting

IMC & the Oxford Flying Club offer this organized “hangar flying” which is focused on building proficiency in instrument flying. We believe that safety and proficiency are developed through shared experiences. Our monthly meetings, on the first Wednesday of each month, use real world scenarios to engage and allow our members & guests to share and build their experience. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** Fly in: Taxi to the Northeast Tees and park on the ramp just to the south. Drive in: Park outside gate G21 on Juliano Drive. Meeting is in hangar NT17.

### A message from the National FAASTeam Manager
