

Don't Lose Control, a Two Part Seminar

At this FAASTeam seminar, FAASTeam Rep., Master Instructor, and the Chairman of SAFE, Doug Stewart will present this exciting and entertaining topic. Every year loss of control and stall-spin accidents take countless lives. Make sure that you don't fall into the fatal loss of control trap. Attend this seminar and learn how to avoid being a statistic. Join Worcester Area Pilots Association in welcoming Doug to the area. See the additional information for full details of this two part seminar. Refreshments provided. Click on the link to register TODAY.

Directions: The program is held on the first floor in the airport terminal building. Auto parking at the terminal is free until midnight. Aircraft parking, fee waived at Rectrix Aero Center.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice.
