

Oxford IMC Club Monthly Meeting

IMC & the Oxford Flying Club offer this organized "hangar flying" which is focused on building proficiency in instrument flying. We believe that safety and proficiency are developed through shared experiences. Our monthly meetings, usually on the first Wednesday of each month but on the second one this month, use real world scenarios to engage and allow our members & guests to share and build their experience. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

Directions: On the west side of the airport in the south side of the building that the tower is located. If you fly in, ask to taxi to "the main ramp."

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
