

Don't Lose Control, a Two Part Seminar

At this FAASTeam seminar, FAASTeam Rep., Master Instructor, and the Executive Director of SAFE, Doug Stewart will present this exciting and entertaining topic. Every year loss of control and stall-spin accidents take countless lives. Make sure that you don't fall into the fatal loss of control trap. Attend this seminar and learn how to avoid being a statistic. Join South Mountain Flying Club in welcoming Doug to the area. See the additional information for full details of this two part seminar. Refreshments provided. Click on the link below to register TODAY.

Directions: Meeting held in the terminal building lobby. See the maplink on faasafety.gov
