

FAASTeam Flight Instructor Open Forum

At this open forum, we will discuss how to PREPARE PILOTS FOR THE UNTHINKABLE. Pilots react to emergency situations the way they practice. Successful survivors have several things in common. These include knowledge, decision-making skills, and a cool demeanor. Come find out which pilots survived the accident and what they did right. It is worth the investment of your time! Click the link below and register TODAY. Join your flight instructor colleagues and make a difference in flight training safety! Refreshments provided by Premiere Flight Center.

Directions: The hangar is located at the Northeast corner of the airport property. FAASTeam Forum held in the upstairs classroom.
