

Hartford IMC Club Monthly Meeting

This is the March, meeting of IMC Club, Hartford chapter. Another Instrument flying scenario based topic will be presented and discussed. The IMC Club through its nationwide chapters provides organized "hangar flying" focused on building proficiency in instrument flying believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. You do not have to be instrument rated to attend. Following the presentation we will conclude with the question; "What would you Do?". Click the link below and register TODAY!

Directions: Take Main St. CT-70 or Hanover St. to Evansville Ave.
