2015 Ruth Salzberg Memorial Safety Seminar Registration Form

This year the club has organized its 12th annual 1-day Safety Seminar on Saturday, March 28, 2015. We honor Ruth Salzberg, a vital member of this organization who passed away in 2006.

The seminar will be held at the Northeast Utilities (CL&P and new name EverSource) facility at 107 Selden Street, Berlin, CT. It is visible high on the hill on the East side Route 15 Berlin Tpke. across from Stew Leonard's. As you enter the access road to NU, follow the signs for Event Parking. We will be entering the modern building before the one with the classic tower. This is the same very comfortable room as last year in the corporate auditorium.

Sessions start at 8AM and end by 6:00PM. Breakfast and Check-In at 7:30AM, lunch, mid-morning and mid-afternoon snacks, meeting the presenters after, and informal dinner out with those who are interested.

To qualify for having attended this BFA Safety Seminar you must attend the entire seminar.

This will be a CORE subject seminar focusing on improving piloting and crew skills by refreshing the basics we know so well (and may not have reviewed for a while.)

Topics:

Weather

Maintenance and Equipment Repair

Pilot and Crew Safety

Aeronautical and Pilot Decision Making

Balloon Accidents

FARS

Open #1 – Does your pilot support you as crew?

Open #2 – Photography hints with new technology.
