

FAASTeam Flight Instructor-DPE Open Forum

The Bradley FSDO has quarterly meetings and discussions on the issues facing pilots and instructors, not only nationally, but our district as well. We are looking to have instructors, CFIs in training and DPEs at all experience levels attend this meeting. Join in the discussion and learn some best practices. This is also a great opportunity to meet today's & tomorrow's aviation professionals. Flight training standards are changing. Are you up to date on the new ACS? At this open forum we will discuss teaching the Airman Certification Standards (ACS). Join your flight instructor colleagues and make a difference in flight training safety! Refreshments provided by Premiere Flight Center.

Directions: The hangar is located at the Northeast corner of the airport property. FAASTeam Forum held in the upstairs classroom.
