

## Talk with the TRACON and Cookout

The Boston TRACON is trying to improve the service and safety for aircraft operating in and out of non-tower airports throughout Boston TRACON airspace. Attend this exclusive seminar to learn how you can make your operations run as smoothly and safely as possible! Be sure to bring your questions and ideas to exchange with the BOS TRACON Team. By working together with ATC we can all make a difference. Be sure to join us for a cookout at 6:00 PM, sponsored by Fitchburg Pilots Association. Don't miss this event. Click on the link below and register TODAY.

**Directions:** Take the first right after entering the airport, then follow the road through the gate to the end.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
