

The 3 Ps to Avoid Pilot Error

Who is at fault in the case of pilot error? Of course, it is the pilot. In this seminar we will see how a pilot's personality affects the outcome of the flight. We will also discuss what it means to be proficient going beyond the required three take-offs and landings per ninety days. The seminar will end with a discussion of preparedness and what can be done to make sure you don't miss anything. Nina Anderson will be leading this seminar and solicit some participation from the attendees. Fly In or drive. Refreshments will be provided.

Directions: I 90, Exit 20 west to Rt. 7 South to Great Barrington. Take 23 west to 71 / Egremont Plain Rd. Airport is on the right. Or Rt. 84 to Rt 9 to Winsted and west on Rt 44 to Canaan. Turn right on Rt.7 and go to Great Barrington. At signal (police station on right) turn left on Rt. 23. Turn right on 71 which is Egremont Plain Rd.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
