

True Confessions! The Mistakes I Have Made

Change: Location of meeting.

Doug Stewart has logged more than 14,500 hours during his career. In that time he has made a few mistakes. From simple and unwise to one that almost killed him. He is willing to share it all, including the events and reasons that led to those mistakes, in the hope that pilots can learn from his errors and not repeat them. This promises to be an excellent FAASTeam Seminar ! Bring your Questions. Click the link below and register TODAY.
