

Pilot/Controller Forum

Attend this informative briefing and improve your communication techniques, obtain a better understanding of Temporary Flight Restrictions (TFRs) and the potential consequences of poor preflight planning. Featured speaker for this exciting presentation is FAASTeam Lead Representative and retired Boston TRACON Controller Bob Adelizzi. He will address pilot/controller communication responsibilities and TFR avoidance.

Refreshments provided by Worcester Area Pilots Association.

Directions: Please see maplink for directions. Auto parking is free, just take a ticket. Aircraft parking is at Rectrix FBO.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
