

# SEMINARS

Free of charge!! Located in the metal hangar beneath the orange windsock. Follow the signs.

## 9:30 AM - **Quit Stalling - Doug Stewart**

Doug is one of the foremost aviation trainers in the country. In this seminar, he will discuss how to recognize and avoid one of the most common causes of aviation accidents.....the inadvertent stall. A great session about flying technique and safety.

## 10:45 AM - **The UFO's - The United Flying Octogenarians**

These gents are all 80 years or older, and are still active flyers. Moreover, they'll tell you about some of their amazing adventures, including flights to the most-northern and most-southern airports in the world, and to Cuba.

## Noon - **Learning To Fly - Future Flyers of Connecticut**

Our flight school, Future Flyers of Connecticut has taught people of all ages how to fly. If you've ever thought about learning to fly, this is your chance to find out what's involved, the ground study, the cost, and more. Lots of opportunity for questions.

## 1:15 PM - **Joe Furey and Dan Amarante - New England Weather**

Joe and Dan are known to everyone who monitors WTIC-AM or Channel 61. Come meet them in person and learn about the special features of weather in this part of the country, with a special slant on aviation weather. Got questions? Joe and Dan can answer them!
