

FAA Safety Team, EA-63 FSDO presents:

**2016 Meriden Airport Fly In and Safety Seminars POSTPONED**

**NEW Date 10-08-2016**

**THIS EVENT POSTPONED, DUE TO FORCASTED WEATHER, NEW DATE 10-08-2016**

Cockpit Distraction can be Dangerous! Texting, Tablets, Selfies, Malfunctions and more! Who is at fault in the case of pilot error? Of course, it is the pilot. In this seminar we will see how simple distractions can cause disastrous results. From dealing with electronics overload to coping with a passengers incessant chatter or handling something out of the ordinary, when a pilot gets distracted he/she may lose control of the airplane. Learn to deal with distractions. At 12:00 Noon: Adventures in Aviation. Whether you are already a pilot, or thinking of becoming a pilot – this light hearted seminar will outline some of the things you can do with your “License to Learn”. Illustrated from personal flying experiences from the age of 6 to 56!

**Directions:** THIS EVENT POSTPONED, NEW DATE 10-08-2016 See Map link on full announcement and attachments. Aircraft parking on south east grass. Auto parking across the street from the event.
