

FAASTeam presents:

Skylark VMC Club Monthly Meeting - K7B6

Our TOPIC will be:

Safer Arrival via Traffic Pattern

The Skylark EAA Chapter 1310 VMC CLUB

“hangar flying” meeting represents a scenario-based discussion led by CFII Gil Midford.

Following the presentation, we will conclude with the question, "What would you do?"

Through such discussions, you can build

proficiency in flying and improve your

Aeronautical Decision Making (ADM) and Threat

and Error Management (TEM) - through

education and experience become a better pilot.

Our monthly meetings use real-world scenarios to

engage our pilots and allow them to share their

own experiences.

NEW: The event will be held on Zoom. Please make a note in your calendar.
