

MERIDEN IMC Club Monthly Meeting at KMMK

Happy New year all and Welcome back to IMC. At our January 2026 meeting, we have an awesome scenario involving a night IFR flight to Fishers Island from KHFD, the approach into KGON, and then visual flight from GON for attempted landing at 0B8. We also have Daniel Lucia from the Enfield, CT (BDL) FSDO who will talk to us about his position as FAA Safety Team program manager and the doings at the FAA here in CT.

Take Main St, CT-70, or Hanover St, to Evansville Ave.
