

MERIDEN IMC Club Monthly Meeting at KMMK

Finally, the weather is turning nice so let's get out and fly our airplanes. To stay safe and proficient, please come to the **APRIL 2026** meeting of the IMC Club, an affiliate of the **EAA**. At this meeting, a new instrument flying scenario will be presented pertaining to a night IMC flight surprise with all kinds of avionics failures prompting emergency actions. After listening to this real life scenario and after discussion with the group, the attendees will learn and be prepared to do the following: a.) evaluate all options in an emergency flight situation; b.) pre-flight planning to anticipate an emergency situation; c.) review of aircraft emergency checklists. These scenarios allow the attendees to share and build on their own experiences. You do not have to be instrument rated to attend! We begin our meeting with the Question of the Month. Following the presentation, we will conclude with the question, "What would you do?". Refreshments will be served. Click the link below and register today!

Event Details

Tue, Apr 28, 2026 at 18:00 EDT

Meriden Airport-KMMK

213 Evansville Ave

Meeting Room, Airport Terminal

Meriden, CT
