

After the Check Ride - Safely Gaining Experience and Becoming a Better Pilot

Ok, so you've passed your check ride. Now its time to fly solo and gain more experience, but how do you do that safely? During this session, we will discuss the current safety landscape in General Aviation, habits that safe pilots develop, and other tools to help guide you as you gain experience and better understand your personal limits. Every day is a school day - and every flight is an opportunity to learn.

Avia Flight Academy is located in the same building as Atlantic Aviation North. Parking is also shared. Enter through the door with the Avia Flight Academy awning.
