

Meriden IMC Club Monthly Meeting at KMMK

Summer flying season is still with us. Please come to the **August 2026** meeting of the IMC Club, an affiliate of the **EAA**. At this meeting, a new instrument flying scenario will be presented and discussed. Topics Change Monthly. Night IMC with failing avionics along with a potential icing emergency can be challenging. Bring your EFB, your experience, and your questions, and be ready to participate. All are welcome. These scenarios allow the attendees to share and build on their own experiences. You do not have to be instrument rated to attend! We begin our meeting with the Question of the Month. Following the presentation, we will conclude with the question, "What would you do?" Refreshments will be served. Click the link below and register today!

Take Main St, CT-70, or Hanover St, to Evansville Ave.
