Why did that happen, the whole family was killed. They were on a short, Sunday afternoon flight on a beautiful day. What went wrong? Someone should do something! Here's our chance, let's get together and see if the Team can do something.

Directions: From the North or South on I-87 take Exit 5, onto SR-155, go West toward the Albany International Airport. Look for Million Air, the FBO at the far South. Enter the main entrance to the lobby.
