

The FAA Safety Team presents:

FAASTeam CFI Workshop (Module 7)

Begin or continue the Workshop Series with these Core Topics; "Effective Teaching" and "FAA Industry Training Standards". There's only one more Workshop in this Series; we review what it takes to receive a Workshop Completion Certificate. Flight Instructors, Ground Instructors, DPEs and Instructors in training are welcome and encouraged to attend!

Directions: From the North or South on I-87 take Exit 5, onto SR-155, go West toward the Albany International Airport. Look for Million Air, the FBO at the far South ramp. Enter the main entrance to the lobby, then to the second floor conference room.
