

The FAA Safety Team presents:

Down in a Swamp; What Now!

Southern Maine Aviation Flight Instructor Rich Whicker will lead a discussion on the importance of a thorough preflight with an emphasis on fuel quality, fuel sumping and the pit-falls of using conventional methods. Additionally, Rich will discuss post crash safety issues and what pilots can do to ensure they are prepared for this type of emergency. Rich will also cover pilot responsibilities as they apply to the National Transportation Safety Board rule 830 and accident reporting responsibilities to the FAA. Don't miss it!

Directions: Event will be held in Southern Maine Aviation's Event Hangar located in the same building as The Cock-pit Cafe (Main Terminal Building). Aircraft parking is available @ the FBO on the East Ramp.

A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
