

How Mobile is Your Flight Deck?

Southern Maine Aviation Flight Instructor Sue Tholen will lead discussions on user responsibilities regarding Electronic Flight Bags (EFB) and Personal Electronic Devices (PED). Sue will clarify rules and regulations for those who wish to substitute EFBs for paper charts. Guest speaker Jeremy Keller (Student Instrument Pilot) will demonstrate some of the uses of EFBs and discuss the advantages of having this technology on board the aircraft. Don't miss this exclusive briefing!

Directions: Seminar will be held in the Southern Maine Aviation "Event Hangar", in the same building as the "Cockpit Cafe".

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
Sign up for the FAA's safety services at www.FAASafety.gov!
