

13th Annual New England Seaplane Safety Expo

This day-long event will feature multiple topics on seaplane safety with a review of state regulations pertaining to float flying in Maine and New England. Subjects include, but are not limited to; seaplane accident prevention, the FAA WINGS Program, aquatic invasive species and seaplane fly-in destinations. Renowned vendors and manufacturers will be present with information on new technology and the latest in aircraft electronics. Learn from the pros and refresh your seaplane safety skills. Click on the link below for all the details and to register TODAY!

Directions: Rte 302 to Rt 114 (in Naples). Turn onto Rt 114 and proceed 2/10ths of a mile. Turn left onto Seaplane Cove Road and proceed to parking.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
