

EAA Chapter 87 Young Eagles Fly In

Don't miss this opportunity to refresh your skills on approaches and landings as well as a review of accidents involving Amateur Built and Light Sport Aircraft. These exciting briefings are part of the Experimental Aircraft Association's (EAA) Chapter 87 Young Eagles Fly-In. In addition to the safety seminars, this all-day event features aircraft displays, exhibits, and vendors. Attend these informative briefings and become a more accomplished and safer pilot! Click on the link below and reserve your seat TODAY!

Directions: Please see map link for driving directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
