

AOPA Rusty Pilot Training Course

Southern Maine Aviation Instructors Sue Tholen and John Gary will host an AOPA RUSTY PILOT COURSE to welcome back pilots not actively flying. The intention of this course is to motivate pilots to complete a Flight Review. This course will review Preflight Preparation, Airspace, Regulations, and other topics relevant to currency. Take advantage of this exciting opportunity to rekindle your love to fly. Click on the link below and register TODAY.

Directions: This event will be held in the Southern Maine Aviation Event Hangar. The Event hangar is located at Southern Maine Aviation FBO in the Main Terminal Building, the same building as the "Cockpit Café". Parking is available for fly-ins on the east ramp.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
