

ONCE A PILOT, ALWAYS A PILOT

...But feeling a little rusty?

Join fellow lapsed pilots for a free Rusty Pilots program. We will help you understand what's changed in aviation since you last took the controls and brush up on your aviation knowledge.

The Rusty Pilots program was developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and a part of the general aviation community. **It's easier than you think!**
