

Staying In Control

Most accidents involve takeoffs and landings, and most takeoff and landing accidents involve loss of control. Join flight instructor and FAA Safety Team Representative Rob Montgomery for a hands on discussion of the aerodynamics of this critical phase of flight. Click on the link below and register TODAY.

Directions: The Rochester Skyhaven Airport is on Route 108 between the Cities of Rochester and Somersworth. This seminar will be part of the Skyhaven Airport Open House. Simply come to the airport, follow the crowd and look for signs for the FAA Safety Team Seminar.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
