

## Are You Out of Control?

Loss of control is the leading cause of aircraft accidents in New England. Can you name six factors that lead to loss of control? Do you know three reasons why pilots lose control of aircraft? This seminar will provide insight into factors leading to loss of control and discuss tips and techniques for overcoming or avoiding these factors. Don't miss it! Info you need to know! Click on the link below and register TODAY.

**Directions:** Take I-95 to Exit 75. Turn right onto Washington Street. First right onto Kittyhawk Drive. Go approx. 1 mile and turn right onto Flight Line Drive. Follow to dead end. Terminal building is on the right.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
