

## Are You Out of Control

Loss of control is the leading cause of aircraft accidents in New England. Can you name six factors that lead to loss of control? Do you know three reasons why pilots lose control of aircraft? This seminar will provide insight into factors leading to loss of control and discuss tips and techniques for overcoming or avoiding these factors. Don't miss it! Click on the link below and register TODAY.

**Directions:** Rte 1 to Rte 73 in Rockland. On Rte 73 follow signs for museum.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
