

FAASTeam Representative Recurrent Training

This classroom session will cover topics not included in online training (Accident Trends, Positive Safety Culture, the new FAA Compliance Philosophy, Conflict Resolution, etc.). More importantly, it will provide face time with FPMs John Wood and Steve Brown, and with fellow FAASTeam Reps. It is a wonderful opportunity to network, team-build, and enhance a sense of camaraderie. Click the link below and register TODAY.

Directions: From Laconia take Rte 11 east to 4-way traffic light (jct Rte 11 and Rte 11C--look for red & white tower just prior to intxn). Turn left, then 1st right. Go past airport terminal building and take 1st right onto Kimball Road.

Entrance to Emerson Aviation is at the end of the road on right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
