

## Accident Lessons

What are the lessons to be learned from aircraft accidents, and how can those lessons make us better pilots? We will explore this question by analyzing a number of actual aircraft accidents and determining the causes and remedies. Become a junior NTSB accident investigator for a night, and in so doing, become a safer pilot. Don't miss this important briefing. Click on the link below and register TODAY!

**Directions:** I-295 to Exit 10, Bucknam Road. Merge onto Bucknam Rd, then go 0.5 miles and take a left onto Middle Road. Go 0.4 miles to Activity Center on the right.

### A message from the National FAAS Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAAS Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
