

# Airport Operations-Navigation-Flight Computer Use

Join Monadnock Aviation for this seminar in their Back to the Basics Series. Taught at a ground school level, this seminar will provide a review and discussion on airports and airport operations, visual navigation fundamentals, and using the flight computers (bring your own).

**Directions:** From downtown Keene, take Rte 12 south to Rte 32. Turn right. Go ¼ mile to airport entrance sign, turn right and follow road to terminal building.

## A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
