

Accident Lessons

What are the lessons to be learned from aircraft accidents, and how can those lessons make us better pilots? We will explore this question by analyzing a number of actual aircraft accidents and determining the causes and remedies. Become a junior NTSB accident investigator for a night, and in so doing, become a safer pilot. Don't miss this important briefing. Click on the link below and register TODAY!

Directions: I-95 to Exit 46 (Portland Jetport). Follow signs for Airport. Conference room is on second floor in Airline Terminal.

Park in the parking garage and bring your ticket inside to be validated for free parking.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
