

True Confessions - The Mistakes I Have Made

In this entertaining and informative seminar Master CFI Doug Stewart confesses to some of the mistakes he has made during the course of logging over 15,000 hours of flight time. More importantly, he explains how and why these mistakes were made. It is a good look at the pitfalls and operational errors a pilot can make and how "human factors" play a large part in the safety of flight.

Directions: From downtown Keene, take Rte 12 south to Rte 32. Turn right. Go ¼ mile to airport entrance sign, turn right and follow road to terminal building.
