

Are You Afraid of the Dark

Night flying can be safe and fun, but it also poses its own unique challenges. Visual illusions and reduced visibility can be threats to many variables. Proper planning and setting personal minimums are key factors in keeping night flights from becoming dreadfully interesting. Flight instructors are encouraged to attend with their students.

Directions: I-295 to Exit 10, Bucknam Road. Merge onto Bucknam Rd, then go 0.5 miles and take a left onto Middle Road. Go 0.4 miles to Activity Center on the right.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
