

FAA Safety Team, Portland FSDO presents:

CFI Open Forum

At this event we will discuss best practices for teaching Airworthiness Awareness in the hope that students will learn how to avoid system/component failure events. We also talk about best practices for systems operation and how to prepare students to deal with an engine failure in flight. This is a forum so your participation is essential to success. We really need to hear from you so be sure to join in the discussion.

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

Directions: Take I-95 to Exit 19. Go north on Route 109 for 7.5 miles. Southern Maine Aviation will be on your left behind the Lucas Country Store (1.5 miles from intersection of route 4 and 109).

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
