

Airspace

FAA Safety Team Representative and Flight Instructor Byron Danforth will discuss the different classes of airspace, the operating requirements, and common sense strategies for avoiding airspace transgressions. He will discuss regular and Special Use Airspace (TFRs, Restricted Areas, etc). Airspace transgressions are on the rise. Come learn how to stay safe and wise in the ways of airspace. Don't miss it!

Directions: I-95 to Augusta. Take Exit 109 and proceed westbound on Rte 202. Follow Rte 202 west to Rt 133 to East Livermore. Look for signs for airport.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
