

Pilots and Medications

Taking illegal drugs and piloting an aircraft is illegal, irresponsible, foolhardy and dangerous. But what about prescription or Over-The-Counter (OTC) medications. In this seminar we will explore the dangers that lurk in the pill bottle and how they affect your abilities as a pilot.

Directions: I-295 to Exit 10, Bucknam Road. Merge onto Bucknam Rd, then go 0.5 miles and take a left onto Middle Road. Go 0.4 miles to Activity Center on the right.
