

Duke Energy Aviation Department presents:

# Corporate and Regional Jet/Turboprop Safety Seminar

Because of demand additional seats have been added. Register now. Are you prepared for the upcoming cold weather season? Attend this informative safety seminar titled Cold Weather Operations for Corporate Aircraft Operators presented by Bombardier Aerospace & hear the "The Color Code System" presented by Mark Grady. Online Pre-registration at [FAASafety.gov](http://FAASafety.gov) REQUIRED; don't miss this opportunity!

**Directions:** Duke Energy Aviation Hangar on First Flight Drive.

## A message from the National FAASafety Team Manager

Start FAASafety Team CFI Workshops any time! Find Workshop #5 in SPANS.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
