

FAASTeam presents:

Visualizing Weather in 3 Dimensions

How common weather features evolve and what forecast surface conditions can imply about conditions aloft.

Speaker is Jake Crouch, Physical Scientist, NOAA Climate Monitoring Branch.

Sponsored by the Western North Carolina Pilots Association

Thanks to WNC Aviation for the use of the Lacy Griffin Building.

Directions: Take the general aviation entrance to the Asheville Airport. Park on left past the trees. Lacy Griffin Building is diagonally across the street.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
