

FAASTeam presents:

## FAASTeam CFI Workshop #5

This is Workshop Module #5 in a series of 8 modules. This module will cover information about Safety Trends in General Aviation and Risk Management / Risk Intervention Strategies.

Thanks to WNC Aviation for the use of the classroom and the pizzas

**Directions:** General aviation entrance to Asheville Airport. Park on left past the trees.

### A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
