

National FAA Safety Team presents:

## 2012 National Safety Stand Down

This year's FAASTeam Safety Stand Down focuses on In-Flight Loss of Control, a primary cause of fatal general aviation accidents. Loss of Control refers to accidents resulting from situations in which the pilot should have either maintained or regained control of the aircraft. At this event we will also honor the Tuskegee Airmen and Wright Brothers Master Pilots with a Special Presentation.

**Directions:** From I26, take Asheville Airport Exit and head Northeast on Hwy 280. look for Clarion on left.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
