The Training Standardization & Compliance Conference (TSCC) 2012 is a two day conference intended to address and discuss operational and training issues for Part 91, 121, 125, 135 and military operators. Aviation professionals will have a unique opportunity to share information with NTSB, FAA, and other corporate operators. The seminars will target voluntary higher flight operational standards and limitations, additional training requirements and procedures, compliance and corporate culture, iPad and EFB usage, and improved standardization programs. Don't miss this valuable opportunity for regulators, vendors, flight managers, and training staff to discuss methods and procedures to improve aviation safety. To pre-register for this event see www.regonline.com/TSCC2012.

Directions: From I85, take Exit 49 Bruton Smith Blvd. Go East to John Q Hammons Blvd and turn left.
