

The FAA Safety Team presents:

WINGS Day and Fly-In

Start and Finish your Wings Knowledge and Flight Credits in one day at this exciting WINGS event. Attend WINGS Safety Seminars and obtain (optional) Pilot Proficiency Flight Training to earn your Flight Review! Flight Instructors and aircraft available for rent. Fly-In or Drive-In. Cookout lunch provided by EAA Chapter 731 by donations. WINGS Flight Credits available in the afternoon. If you would like to obtain Pilot Proficiency Training and a Flight Review, please send an e-mail to al@bormuth.com with your contact information, whether you will be bringing your own airplane (and what type) or whether you need to rent one. See the "Additional Seminar Information" for all of the details.

Directions: Main Terminal Building; No ramp fees.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
Sign up for the FAA's safety services at www.FAASafety.gov!
