

Monroe Fly-In Breakfast and Seminar

Attend this exciting Fly-In and safety seminar and enjoy two special topics; "Surviving the Dreaded FAA Ramp Check" and "Plane Sense"! Learn what to expect when an FAA Inspector encounters you on the ramp and also how to ensure the airworthiness of the aircraft you fly. Enjoy a pancake breakfast hosted by the Experimental Aircraft Association (EAA) Chapter 309. Honor the WWII Veterans and the C-46 Tinker Belle. We'll see you there!

Directions: See "Additional Seminar Information" for directions.

A message from the National FAASafety Team Manager
