

Charlotte FSDO and FAA Safety Team presents:

Inspection Authorization Refresher Course at Hickory, NC

FAA approved 8-hour IA Refresher Course presented by FAA, various industry vendors and manufacturers. Course meets the IA renewal requirements mandated by 14 CFR 65.93(a)(4). The course also meets the training requirements of the FAA's AMT Awards Program. Don't miss this exciting opportunity to interact with numerous industry vendors, manufacturers and FSDO Inspectors. As the holder of an Inspection Authorization (IA) or Aviation Maintenance Technician (AMT) certificate, recurrent training is critical to ensuring safe aircraft operations. Don't miss this annual event featuring eight hours of training. All IAs and AMTs are encouraged to attend. Click on the link below to see all the details including topics and speakers. Register today!

Directions: From Interstate 40, drive North on US Route 321 north. Turn left on 9th Avenue (watch for airport sign) Drive approximately 1 mile and turn left at the base of the tower and proceed to the terminal.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area
