

## 2013 National Safety Stand Down

Meet your fellow aviators at the 4th Annual National Safety Stand Down. This year thousands of pilots across the country will come together as a Safety Community to participate in a dynamic, interactive program devoted to Local Safety Issues, Loss of Control, and the number one aviation fatal factor – Human Error. Don't miss this opportunity to hear from local flying experts, participate in dynamic discussions, and gain practical insights on how you can learn more from accident reports and reduce errors in your own flying. Be a part of the safety community. Tell your friends, "I'll see you at the Stand Down."

**Directions:** Classroom of the FBO Building, located on the right as you drive toward the parking area of the airport.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
