

The FAA Safety Team presents:

Spring Fly-In!

Don't miss the Spring Fly-In at the Foothills Regional Airport! Pilots, aircraft owners and Aviation Maintenance Technicians (AMTs) can refresh their knowledge and skill by attending multiple safety briefings at this exciting annual event. These exclusive briefings include Pilot & Aircraft Performance, Preventing Loss of Control Accidents, Density Altitude, Mountain Flying and Aircraft Maintenance performed by AMTs as well as preventative maintenance performed by pilots. Click on the link below to see a list of all the safety briefings and register TODAY!

Directions: Fly-In or Drive in, Foothills Regional Airport (MRN).

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
