

## FAASafety Team Flight Instructor Open Forum

What is your idea of aircraft airworthiness? Who is responsible for the airworthiness of the aircraft you teach in? How do you teach students to make airworthiness determinations? Attend this exclusive forum and learn the answers to these questions and how to convey that responsibility to students. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and instructors in training are all welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! Click on the link below and register TODAY!

**Directions:** Main meeting room, upper floor.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
